## Course Details

## MEM30919 Certificate III in Boating Services Course

### Outcome

This program is designed to produce individuals with the skills and knowledge required to work within the boating services industry.

### Training Package Entry Requirements

This Program maybe accessed by direct entry through formal skills recognition assessment process

### Duration

This program is delivered over 14 weeks including holiday breaks. The total tuition duration for the course is 12 weeks

### Delivery of Training and Assessment

This Program is delivered up to 12 weeks RPL Portfolio Development and Gap Training (as required).

### Student Target Group

Participants entering this program are those that have current and/or recent skills and knowledge against the units of competency listed in this flyer. They:

- ✓ May already have **completed a trade program** that's outdated or superseded and they wish to gain current qualifications.
- ✓ May not have formal qualifications, however they have been working in a comparable role **for at least 3 years**.
- ✓ Must be over the age of 18 on course commencement and have successfully completed year 11 or equivalent (trade qualification).
- ✓ May apply for credit transfer of units issued from other RTO's however, due to complexity of the trade course, applicants will be required to complete a skills assessment to **verify the current skills & knowledge** of units for the CT and RPL accreditation.
- ✓ Must complete a Pre-Training Review including LLN\* foundation level test.

### Location

The course is delivered at

- Theory - Distance learning (Online training & assessment)
- Practical - In own workplace/yacht/boat (Video linkup recordings of practical training & assessment)

### Skills and Knowledge Assessment & Training.

Applicants are to **provide a portfolio of evidence of their current skills and knowledge** via video recordings of them completing a task, industry expert reports confirming their current skills & knowledge in the workplace against unit of competency requirements (performance evidence) and knowledge testing (knowledge evidence) provided by The Learning Professionals.

\*Language literacy and numeracy (LLN) levels are not a barrier to entry; it helps us understand how we can support you in your learning journey with us. An LLN test is not required if applicant has completed 12 months of study in an AQF program at the same level or higher than this qualification within Australia.
